Please take a few minutes to read through this page. Order by filling in this form with the relevant details. This is important so that we can deal with your order quickly and be able to sort out any possible future problem. In the column to the left of *artist*, kindly denote our stock number if ordering from a catalogue. In the format column please denote CD, LP or CA. Payments must be included with orders unless you pay by *Bank Transfer*, in which case please enclose some kind of *proof of payment*. Our bankers are: **Barclays Bank, 79 High St, Porthmadog, Gwynedd, Wales, UK LL49 9ET**. Our *account number* is 40311235, *sort code* = 20.35.47. Please ensure that transfers are made in sterling (£). If, as overseas customers, you find it more convenient to pay with paper currency please ensure you use the correct UK exchange rate. We can accept most foreign currency – please check if in doubt. Please register paper currency payments.

Customers *outside* the EC can deduct 15% off the total cost of the order to account for UK tax, which you do not have to pay, but you **may** have to pay your own country's taxes. Our prices are already discounted and we offer an extra discount on large orders – see over. We cannot, however, offer extra discounts for payments by Credit card due to the high charges we have to pay, but payments by Debit Cards (Switch, Solo, Delta) are eligible for extra discounts.

In the unlikely event of your receiving a faulty manufactured item, please return it for replacement stating the precise nature and location of the fault. In most cases orders are dispatched within a few days of receiving the order. We would ask you to bear with us on the rare occasion when there is a delay in the release of an item or when there is a stock supply problem at the manufacturers – unfortunately there is nothing we can do to anticipate or overcome this. If there is a prolonged delay we normally send a part order with the balance to follow.

COMPENSATION FEE In the unlikely event of a parcel/packet being lost or damaged it will be covered by a **free** compensation up to £25. We can offer an *optional* compensation service for orders not covered – for orders sent to the UK a £1.50 fee will cover up to £150 worth, a £2.00 fee will cover up to £500 worth of goods. For orders sent outside the UK a £3.50 fee will cover up to £250. *We only use 1st class mail for UK dispatches, and Air-Mail for European/Rest of World dispatches.*
